

Bradford on Avon Quaker Meeting House

Accessibility statement

Level access

into the building is via our side entrance to the right of the building (door opens manually both ways). There is step-free access to the corridor, toilets (including one accessible toilet), library and main meeting room. A ramp is available to provide wheelchair access to the kitchen (one step up from the corridor) and the small meeting room (one step up from the kitchen).

Hearing loop

A hearing loop is installed in our main meeting room and is always on.
