Please note that there is living accommodation on the first floor of our Meeting House. The Warden's flat is located above the main meeting room and library, and a permanently rented-out studio flat above the kitchen and small meeting room. Restrictions are in place for small meeting room bookings, especially in the evenings and for group bookings.

The neighbouring Griffin & Fudge site is presently being redeveloped. This may lead to noise disruption on Mondays to Fridays from 7:30-18:00 and Saturdays 8:00-13:00.

Schedule last updated on 7 June 2018. Some regular bookings finishing in July are not shown.
